

<p><b>EATONS HILLS STATE SCHOOL</b>  <b>PERMISSION FROM PARENTS</b>          (from 2008, completion of this form will remain current for the duration of          your child's enrolment at this school)</p>
--

February 2008

Dear Parents

Eatons Hill State School Staff and the P&C Association support for the concept of obtaining parental permissions for students participating in various school based activities.

Completion of this multiple permissions form by parents each year has significantly reduced the amount of individual permission notes sent home for parents to sign throughout the year. There will be some occasions, however where separate permission forms will be requested eg. Vaccinations, dental service

Please complete the attached form for your child and return the tear off section to your child's teacher before the end of February 2008.

Parents of new enrolments for 2008 should have already completed this form and will not be required to return the form again.

Information supplied by parents will be stored in the school office and accessible to staff only.

Yours sincerely,

Clyde Campbell  
Principal
